

Novio is a collaborative setting to setting network.

Our aim is to support 0-25 year olds with special educational needs and disabilities to have successful placements in mainstream settings. (SEND).

Novio offers: A collaborative educational setting to setting support network. SEND staff training and professional development. SEND advice, information and signposting.

## “Learning Together about SEND and AUTISM”

Come and join us for a Professional Learning Walk

Monday 28<sup>th</sup> January 2019 from 4-5.30pm

Following the success of the previous Professional Learning Walk hosted by Barnham Primary School in the Autumn Term, Novio is pleased to announce St. Anthony's is hosting the next one on Monday 28<sup>th</sup> January 2019. This is a free, school to school collaborative event to share best practice. It provides an opportunity for those who are working with individuals with SEND to find out how a special school setting caters for a wide range of pupils from 4-16 with a wide variety of special needs. This Professional Learning Walk will focus on Autism. St Anthony's school staff will be available to network and share best practice with other professionals.

Should you or any member of staff from your setting be interested in attending all or part of the “Professional Learning Walk” hosted by St Anthony's Special School on Monday 28<sup>th</sup> January 2019, please let Clare Lisher know by Tuesday 22<sup>nd</sup> January 2019.
