

The Educational Psychology service will be  
delivering two introductory sessions on:

# Restorative Approaches

The training will consist of two half day sessions.

Please choose from either:

4th Feb and 18th March

or

5th Feb and 17th March

9am - 12pm - Chichester High School, PO19 8EB

## Session 1

The universal principles:  
how to build a restorative  
community, including the  
use of affective language and  
restorative questions

## Session 2

Specific targeted  
approaches, including the  
use of restorative circles  
and conferences

Each school is invited to book up to two places, to include  
senior leadership and other strategic team members

Please email your link EP with names and  
roles of attendees to book places
