

The Educational Psychology service will be  
delivering two introductory sessions on:

# Restorative Approaches

21st Jan and 10th March | 9am - 12pm

Chichester High School

Participants will attend *both* half-day sessions

## Session 1

The universal principles:  
how to build a restorative  
community, including the  
use of affective language and  
restorative questions

## Session 2

Specific targeted  
approaches, including the  
use of restorative circles  
and conferences

Each secondary school is invited to book up to four places, to  
include senior leadership and other strategic team members
